Rainforestation NATURE PARK

ALL AUSTRALIAN EXPERIENCE

Bring your students to visit the award-winning Rainforestation Nature Park set on a 100 acre (40-hectare) property located in the middle of Kuranda's World Heritage Rainforest, for an All Australian Experience. Part of the CaPTA Group, the locally owned and operated park offers unique educational experiences.

ARMY DUCK RAINFOREST TOUR (30 MINUTES)

Students will board an amphibious World War II Army Duck for a land and water adventure through the rainforest, as their Duck Captain identifies and explains fascinating plants, including ferns, orchids, strangler figs and the infamous stinging tree. Students will keep an eye out for turtles, fish, eels, birds, pythons and other reptiles on land.

PAMAGIRRI DANCE PERFORMANCE (30 MINUTES)

The Pamagirri Aboriginal Experience offers students the opportunity to see a traditional dance performance in the setting of a beautiful Rainforest Amphitheatre. This cultural experience is not only educational, but fun, with the opportunity for willing students to get up on stage and join a dance!

DREAMTIME WALK (30 MINUTES)

This guided tour, along an all-weather walk-way, gives insight into Aboriginal traditions and beliefs, and how several ancient implements were used. After a Boomerang throwing demonstration and lessons from their guide, students can test their boomerang throwing skills. Next their guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument. Students will also be amazed at the distance their guide can throw spears using a Woomera during the spear throwing demonstration.

WILDLIFE PARK (30 MINUTES)

Students will have 30 minutes to explore the wildlife park, hand feed the free-roaming Kangaroos and learn about a variety of native Australian wildlife including the three most special to Tropical North Queensland – the Saltwater Crocodile, Tree Kangaroo and Southern Cassowary.

OPTIONAL EXTRAS:

BOOMERANG PAINTING (30 MINS)

Minimum: 10 pax | Maximum: On application

With guidance from a Pamagirri Artist, each member of the group paints their own Boomerang to take home on the day – 1 Boomerang per person

CANVAS ART WORKSHOP (30 MINS)

Minimum: 10 pax | Maximum: On application

With guidance from a Pamagirri Artist, each member of the group creates their own small 5"x7" canvas of Aboriginal style artwork. All canvases can be taken home on the day.

With guidance from a Pamagirri Artist, each participant adds their own design to a large canvas (A2 size+). Additional cost for postage after group visit. Minimum 25 pax.

RAINFOREST AND WILDLIFE

Set in the midst of World Heritage Listed Wet Tropics Rainforest, Rainforestation Nature Park is the ideal location for students to learn and appreciate the rainforest and wildlife from our region.

ARMY DUCK RAINFOREST TOUR (30 MINUTES)

This experience has the option of combining an exciting Rainforest Tour with a Tree Planting Experience.

Students board an Army Duck here for a tour exploring the Rainforest. As they traverse the property, their guide will point out and explain ferns, orchids, strangler figs and stinging trees, as well as birds such as the Azure Kingfisher and a host of other animals and reptiles. As the Army Duck splashes into the lake, it cruises up to the water's edge.

Students will keep an eye out for water dragons, pythons, turtles and more!

OPTIONAL TREE PLANTING EXPERIENCE (60 MINUTES, INCLUDES RAINFOREST TOUR)

Along the track, the Army Duck will make a stop allowing the students to disembark and begin their tree planting experience. Students will be planting locally sourced native rainforest species selected for their ability to attract wildlife.

Their driver will guide them within the rainforest provide instructions on how to plant the tree and teach them about the importance of reforestation.

WILDLIFE PARK (30 MINUTES)

Students will have 30 minutes to explore the wildlife park, hand feed the free-roaming Kangaroos and learn about a variety of native Australian wildlife including the three most special to Tropical North Queensland – the Saltwater Crocodile, Tree Kangaroo and Southern Cassowary.

DREAMTIME DISCOVERY

At Rainforestation Nature Park, set in the midst of World Heritage Listed Wet Tropics Rainforest, students can embark on their own Dreamtime Discovery. This programme allows students to watch and participate in local Indigenous culture.

PAMAGIRRI DANCE PERFORMANCE (30 MINUTES)

Formed in 1993, the Pamagirri Aboriginal Dance Troupe perform a dance show in the rainforest amphitheatre. The rainforest provides a natural backdrop for the show and serves as the theatre walls. The sounds of the forest provide accompaniment to the haunting sounds of didgeridoo, chanting, and clap sticks while the dances depict the unique animals, traditional history and food gathering of this ancient culture.

INDIGENOUS EXPERIENCE

Rainforestation NATURE PARK

Pamagirri ABORIGINAL EXPERIENCE

At the award-winning Rainforestation Nature Park, students can experience Indigenous culture in an authentic setting in the midst of World Heritage Rainforest. Rainforestation Nature Park first introduced boomerang throwing in 1987, and then Pamagirri Aboriginal Experience in 1993. Pamagirri means "silent snake", and is symbolic of the Rainbow Serpent, responsible for the creation of the mountains and rivers in Aboriginal Dreamtime stories. This unique tourist attraction is situated five minutes from Kuranda Village and offers numerous educational experiences with Indigenous culture.

DREAMTIME WALK (30 MINUTES)

This guided tour, along an all-weather walk-way, gives insight into Aboriginal traditions and beliefs, and how several ancient implements were used. After a Boomerang throwing demonstration and lessons from their guide, students can test their boomerang throwing skills. Next their guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument. Students will also be amazed at the distance their guide can throw spears using a Woomera during the spear throwing demonstration.

PAMAGIRRI DANCE PERFORMANCE (30 MINUTES)

Formed in 1993, the Pamagirri Aboriginal Dance Troupe performs a dance show in the rainforest amphitheatre, which seats approximately 400 people. The rainforest provides a natural backdrop for the show and serves as the theatre walls. The sounds of the forest provide accompaniment to the haunting sounds of didgeridoo, chanting, and clap sticks, while the dances depict the unique animals, traditional history and food gathering of this ancient culture.

PAMAGIRRI RAINFOREST WALKABOUT OR YARNING CIRCLE (45 MINUTES)

For groups of 12 students or less, the Rainforest Walkabout is an interactive tour that will teach students about the diversity of Indigenous cultures around Australia and some common customs such as totems and body painting before embarking on a guided walk in the Rainforest to identify plants used for bush tucker or medicinal remedies as well as traditional artefacts, tools and weapons.
To cater for larger groups, the Yarning Circle provides a safe forum for open sharing and discussion of issues related to Indigenous Culture. Each discussion is led by Pamagirri Guides and subject matter can be directed by the participating students or their attending teachers.

ABORIGINAL FACE PAINTING

Aboriginal body painting or art is an ancient tradition which carries deep spiritual significance for the Australian Indigenous People. Their cultural rituals, including body painting differ between Aboriginal tribes and topographic location. Students can learn about these traditions and experience face painting first-hand.

OPTIONAL EXTRAS:

BOOMERANG PAINTING (30 MINS)

Minimum: 10 pax | Maximum: On application

Australian Butterfly Sanctuary

DOMESTIC SCHOOL STUDENT GROUP PROGRAMMES 2026

With a visit to Australian Butterfly Sanctuary, your students can learn everything they need to know about butterflies and their life cycle. Situated a short drive from Cairns, Australian Butterfly Sanctuary is the largest butterfly flight aviary and exhibit in Australia. Home to over 1,200 magnificent tropical butterflies including the majestic green Cairns Birdwing, the sanctuary is an all-weather experience in the heart of Kuranda that specialises in educational tours.

Students will be enchanted by these elusive wonders of nature as they wander through the aviary's boardwalks and gardens and learn from dedicated guides about all aspects of butterfly life. It's a science lesson they will never forget. The students can use our state-of-the-art microscope to view the anatomy and wing structures of the butterflies. They will also be shown pupae for each species that is bred in the laboratory, caterpillars in all stages of growth, and may even see caterpillars hatching out of their eggs!

Moths, such as the Silk Moth and the Hercules Moth, are also bred on the premises, so the students will be able observe them at various stages in their life cycle. Our knowledgeable guides will take students through the aviary and breeding laboratory on a 30 minute tour, detailing a butterfly's behaviour. At the end of the tour, students can also view the museum including our collection of butterfly specimens from all over the world.

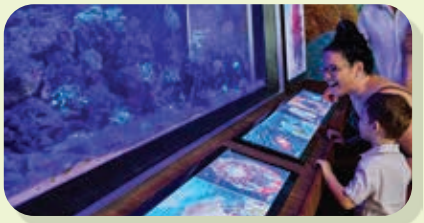
Cairns Koalas & Creatures
AT THE PIER

DOMESTIC SCHOOL STUDENT GROUP PROGRAMMES 2026

Ever wondered what lives in your backyard? Join us at Cairns Koalas & Creatures to find out! Our keepers will introduce students to some of our most interesting local animals and teach students about their habitats.

An educational presentation is included for the group. Our keepers can offer this as a guided tour through our exhibits, or as an interactive presentation seated in our theatre room.



Presentations will be personalised to each year group and specific class topics to help children to understand the features of different animals and their habitats. Let us know at the time of your booking if you would prefer to have our wildlife keeper present one of these three topics. Environmental Adaptions, Life Cycle or Where Do They Live?

Students will have the opportunity to meet some of our native wildlife up close with our keepers, and ask questions along the way. Our educational venue can facilitate a diverse range of learning outcomes and invites students to explore at their leisure.

Wildlife Rescue Presentation

This presentation takes an exclusive peek into the world of our wildlife care centre - TARC (Tropical Animal Rehabilitation Centre). TARC is a not-for-profit initiative of the Wildlife Habitat. TARC's focus is commitment to wildlife conservation and rehabilitation.

The goal of this facility is to provide the best possible care to displaced, injured, sick or orphaned native Australian wildlife, whilst continuing involvement in conservation programs and research in conjunction with Wildlife Habitat. This presentation allows students a fascinating insight into the care of these animals brought into the centre by the general public.
